The Intergalactic Space Evangelist
Part 3 Blind Man's Bluff

P1 Last time found three of our friends in deep trouble in deep space! Warning, warning! Said the computer voice. What is it asked SemaJ with fear and trembling in his voice. I am not sure said Jewels. I have never seen any thing like this before in my life. It looks like a meteorite said Jake. Yes, said Jewels but not just any meteorite this one seems to be alive. Oh NO! it is an IDD MegaMeteorBlast and it is heading right for us!!!

P2 Take evasive (dodging) action said Jake. Jewels immediately started dodging this way and that trying to avoid the IDD MMB! All of a sudden a voice came over the radio of Falcon 1. You cannot get away from me! I will smash you to powder. It was the voice of the IDD MegaMeteorBlast.

P3 That thing can talk?! Said SemaJ. I told you it was alive said Jewels. It is powered by the IDD and they are very much alive and do not want us to get to De L'aveugle. Remember that the ISE training manual says: Eph 6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

P4 I never thought that they were How are we ever going to escape? the radio. You cannot get away. you! You will never make it to De

really real said SemaJ!
Again the voice came over
You are mine. I will destroy
L'aveugle.

P5 He is right Jake said forever he is too fast for me. I then the MMB flew by just Jewels jerked hard on the controls. done for! Oh no here it comes again and it is heading straight for us said Jewels. Turn the wheel Jewels, turn the wheel, shouted Jake. I can't the controls seemed to be jammed.

Jewels. I cannot dodge him cannot keep away from him. Just barely missing the right wing as One more of those and we will be

P6 Jake unbuckled his seat belt and ran to help Jewels with the controls. Jake, Jewels & SemaJ this is command control can you read me over? Come in Falcon 1, come in! The voice was the voice of Commander M. In the background they could hear a voice singing the battlefield song. "I'm going to die on the battlefield I'm going to die in the war, I'm going to die on the battlefield with glory in my soul."

P7 Listen to me troops, said the voice of Commander M. I know this will be hard

for you to hear.... Oh No! Said SemaJ, she is going to tells we are going to die. Be quiet SemaJ and listen to M, besides remember the ISE training manual says: Phil 1:21 For to me to live is Christ, and to die is gain. Jake's right said Jewels. We do not fear death. Death will only make us stronger.

P8 Commander M's voice came back on again. Listen to me, let me see if I understand your situation. Our situation is doom! Cried SemaJ!

P9 M continued, Things look bad but they really are not, are your controls jammed? Yes, said Jewels, they are. OK... and you are heading right for the MMB? Right again said Jewels... OK said M. How long till impact? 32 Seconds said Jake.

P10 OK said M. Do you have the shield of faith turned on? Checking said SemaJ. Yes the SOF is on he reported. Then you have nothing to fear from the IDD MMB. Just as soon as it hits your SOF it will destroy itself. 20 seconds said Jake. But you must stay on course Jewels that is why the controls are locked. They are not jammed. Remember Falcon 1 is powered by the Word Of God and so it will head straight for the evil and destroy it but you will be safe. You must trust the WORD.

P11 10 seconds said Jake. Are you sure M? Said Jewels. Yes said M do NOT avoid the MMB. This is crazy said SemaJ. I am getting out of here! SemaJ hit his auto ejection DEMAS switch just as Falcon 1 slammed into the IDD MegaMeteorBlast.

P12 What will happen to Jake & Jewels who stayed at the controls? What will happen to SemaJ as he is blasted into space? Tune in next week for more of the adventures of the Intergalactic Space Evangelist!
