Taking the battle for the souls of men to the  
principalities and powers, to the rulers of the  
darkness of this world, standing against  
spiritual wickedness in high places

This is one of  
Commander M's favorite songs

Why worry when you can pray  
Trust Jesus he'll be your stay  
Don't be a doubting Thomas  
Rest fully on his promise  
Why worry worry worry worry  
When you can pray

Part 5 Blind Man's Bluff

P1 You remember last time that our friends narrowly escaped from the MegaMeteorBlast. SemaJ, did not believe that *FALCON 1* could save them from the evil forces of the IDD and so ejected from *FALCON 1*.

P2 We pick up now with our story today.

P3 A creepy voice came over the radio of ***FALCON 1***. We may not have destroyed your ship but now we have one of you! The voice said. And you will never see him again ahahahahahaah.

P4 Jake use the "Radio Tracking Beam" to get a location fix on that ship! Snapped Jewels. Got'em! Shouted Jake. Jewels quickly loaded the information into her control panel and *FALCON 1* quickly took off after the IDD ship.

P5 They cannot get away from us but we cannot see them, said Jewels. They are using some kind of blinding device to keep us from seeing them.

P6 Commander M came on the speaker just then. Keep tracking them and I will have the ISE team here on the problem. This is just like in real life Jake said Jewels. Hardly anyone believes in Satan because they cannot see him. Yes said Jake, but he is real alright. There are a lot of things we cannot see that are real.

P7 That's right said Commander M! One of the ways Satan stays invisible is by blinding the minds of people. He blinds their minds by telling the lies. Soon the people believe the lies are the truth and then he has them.

P8 Do you think that is what has happened on De L'aveugle? Asked Jewels. Most likely, said Commander M. We have to stop the IDD by telling those people on De L'aveugle the truth. What if they do not believe us? Asked Kel, who was standing next to Commander M. That is up to them, it is our job to tell them the truth.

P9 Commander M, Commander M, said Jamie The Right (also known as JR). I know how to make that IDD ship visible. How JR? Asked Kel.

P10 Well that IDD ship must be sending out false signals to our antenna onboard ***Falcon 1***. All our team has to do is turn off the scanners and look out the windows on ***Falcon 1*** and they will be able to see them!

P11 Jewels, this is Commander M. Tell Jake to shut down all the computer scanners and to open the window ports on **Falcon 1**. You should be able to see that IDD ship then.

P12 Jake obediently shut down the computer scanners and opened the window ports on **Falcon 1** and sure enough there was the IDD ship just ahead of them.

P13 Great job JR! Everyone shouted. Now we have them! Said Jake.

P14 Just then a creepy voice came over the radio of **Falcon 1**. STOP! Do not come any closer or we will drop your friend off in space, said the voice. Then he added. Without a space suit!

P15 Oh Horror! What will our friends do now? Will Jake and Jewels be able to save SemaJ? Or will SemaJ be turned into a space popsicle? Find out next time in our next edition of (dum, dum, dummmm) The Intergalactic Space Evangelist!
