The Intergalactic Space Evangelist
Part 6 Blind Man's Bluff

P1 You remember last time that the IDD were threatening to blast SemaJ into space without a spacesuit if **Falcon 1** came any closer.

P2 There they are shouted Jake! STOP! Do not come any closer or we will drop your friend off in space, said the voice. Then he added. Without a space suit!

P3 What now asked Jewels? Stand by for a "Rapture Transport", said M. Copy that M, replied Jewels. Looks like you are going to need more help up there so I am sending some more team members up, said Commander M.

P4 The "Rapture Transport Device" or RTD is a matter to energy to matter transporter said Jamie The Right. It converts our body (matter) to energy and transports it at the speed of light to it destination then back to matter again.

P5 KEL interrupted and said, We call it the Rapture Transport Device because it works like the "rapture" of the Church. One day the Lord Jesus Christ will come back to take us to heaven with him, said Paulie, so we call it the RTD.

P6 RTD ready, said Craigers. Who is coming up, asked Jake? I am sending Matty, JR & KEL. Energize! Said Commander M. Onboard the **Falcon 1** the RTD receiver began to sparkle and then the shapes of 3 ISE members began to form. Zzzzzzz, zzzzzzz, hummmm, zzzzzzzzzzz went the RTD.

P7 Then "POOF" there they were, the ISE team members, KEL, Matty & JR. Just then the IDD ship took off again. After them quick, shouted KEL. Julies punched the controls on **Falcon 1** and the ship roared off after the IDD ship.

P8 JR ran to the RTD control panel. His hands flew over the controls and switches. I have a fix on SemaJ, said JR, but the signal is weak. They must have a "Truth Deflector Shield" up, said Matty.

P9 Commander M cut in. Jake, stand by to fire the "Sword Of The Spirit"! Right M! Said Matty, good idea. What are we going to do Matty, asked Jewels.

P10 It is a little bit risky but here is the plan. Jewels get us as close as you can. Jake when we are close enough fire the "Sword". That will knock out their "Truth Defector Shield". Then JR can get a lock on SemaJ using the RTD and beam him back on to **Falcon 1**.

P11 Great plan! Let's do it! Said KEL. Closing on the target now, said Jewels. Five seconds till we fire said Jake. RTD ready! Said JR. Matty started counting down. 4, 3, 2, 1, FIRE! FIRE! FIRE!

P12 A blazing beam of super hot, super white LIGHT erupted from the SWORD on **Falcon 1** and slammed into the IDD ship. LOCK, LOCK, I have a lock on SemaJ! Shouted JR. QUICK get him out of there shouted KEL, the IDD ship is going to explode!

P13 At that very instant the IDD ship jerked and bucked like a wild stallion and blew up into a billion tiny parts. Where is SemaJ! Shouted Jewels, Jake & KEL all at the same time.

P14 Is this the end of SemaJ? Will JR be able to pull him out of the explosion of the IDD ship? Or will he be LOST IN SPACE?? Tune in again next time for more adventures of the (tumm, dumm, dum) Intergalactic Space Evangelist!
