**Lesson 1**

## **Men & Women Of The Old Testament—Lesson 1**

- P1 Your Bible is a wonderful place to learn about people and how they relate to God. God has always wanted a group of people who would serve Him just because they wanted to.
- P2 Some religions do not think that women are very important, but God has always used both men and women in His service.
- P3 In these lessons you will learn about some very great men and women. Women like Jael who slew a mighty enemy soldier. Women like Deborah who God used to lead Israel when He could not find one good man.
- P4 We will study about men like Caleb and Joshua who were not afraid of giants. Men like Gideon who started out afraid until he put his trust in God. These are people just like you and me. And just like them we too can be a part of what God is doing today.
- P5 Before we begin our study of the Men & Women of the Old Testament we need to make sure that we understand something about our Bible. Our Bible is to be divided into 3 sections. Our apostle Paul talks about this in 2 Timothy where he says... 2 Tim 2:15 Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.
- P6 These three divisions have several names. The first division is the Old Testament and is sometimes called time past. It covers the books Genesis through Acts.
- P7 The Second division is the Pauline Epistles and is sometimes called "But Now". It is in these books of Paul that we find our instructions for today. The books Romans through Philemon make up the Pauline Epistles.
- P8 The third division is the New Testament and is sometimes called the ages to come. It covers the rest of the books of the Bible which are Hebrews to Revelation.
- P9. We can learn a great deal about ourselves by reading about others, this is especially true concerning people in the Bible. How many of us, like Gideon, need to trust God so that we are not afraid to do what is right.
- P10 One more thing to remember as we get started. The information we find in the Old Testament is for our learning but not for our practice. For example we can learn a lot about Noah and the ark but we do not have to build an ark today. We can learn a lot from Moses but we are not under the LAWS of Moses (618 of them) today.
- P11 Here is what I want you to remember for next week.  
ONE: All of the Bible is FOR us, BUT it is not all written TO us.  
TWO: God is looking for people to serve Him who WANT to serve Him.
