Joshua & The Giants

P1 Joshua did fight the giants. Giants are real beings. The pictures on the cover of this lesson has a number of giants in them.

P2 There have been giants on the earth since before the flood.

P3 Gen 6:4 There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.

P4 The giants of our day, at least the ones that show up from time to time, are probably not as mean and wicked as those of times past.

P5 The giants living in Noah's day were the direct offspring ^{children} of bad angels that chose not to follow God. They were huge, had six toes and six fingers and some evidence points to two rows of teeth top and bottom!

P6 It seems cruel to some to think that God wanted all the inhabitants across the River Jordan to be killed by Joshua. This new land was to be their new homeland.

P7 The people who lived there not only worshipped the fallen angels but had their children as well. God did not want fallen angel DNA to get mixed up with the children of Israel.

P8 Why? Because the son of God would come through the generations of Israel. The blood line or seed line had to stay pure until the birth of the Lord Jesus Christ.

P9 Satan knew this and so sent some of his angels to earth in an attempt to cause the bad angel DNA to be mixed completely with humans.

P10 So God had no choice but to wipe out the lands across Jordan to rid the earth of the giants.

P11 Moses sent spies into this land before he died.

P12 These spies came back to report that the giants were in the land.

P13 Num 13:30 And Caleb stilled the people before Moses, and said, Let us go up at once, and possess it; for we are well able to overcome it.

P14 Num 13:31 But the men that went up with him said, We be not able to go up against the people; for they are stronger than we.

P15 Num 13:32 And they brought up an evil report of the land which they had searched unto the children of Israel, saying, The land, through which we have gone to search it, is a land that eateth up the inhabitants thereof; and all the people that we saw in it are men of a great stature.

P16 Num 13:33 And there we saw the giants, the sons of Anak, which come of the giants: and we were in our own sight as grasshoppers, and so we were in their sight.

P17 By the time we get to the book of Joshua the giants are all over the place.

P18 So it is left up to Joshua to clear the land of these six toed, six fingered, double row of teeth, children of the fallen angels.

P19 Josh 11:21 And at that time came Joshua, and cut off the Anakims from the mountains, from Hebron, from Debir, from Anab, and from all the mountains of Judah, and from all the mountains of Israel: Joshua destroyed them utterly with their cities.

P20 Josh 11:22 There was none of the Anakims left in the land of the children of Israel: only in Gaza, in Gath, and in Ashdod, there remained.

P21 So we find that Joshua did not get them all for some were left in Gaza.

P22 Down through the past 4,000 years or so their DNA has become less powerful and so we might see a giant or two show up every once in a while but they are not like the ones found in the Old Testament.

P23 However Archeologist still dig up the bones of really mean ones from time to time.

P24 And the book of Daniel indicates, to me at least, that the really mean ones will show up again at the end of the age of grace.

P25 Dan 2:43 And whereas thou sawest iron mixed with miry clay, **they shall mingle themselves with the seed of men**: but they shall not cleave one to another, even as iron is not mixed with clay.

P26 The iron mixed with miry clay and the mingling with the seed of men is probably a reference to the bad angels making more really bad giants.

P27 This of course will happen towards the end of this age of grace.

P 28 These last two

pictures are further proof of giants in the land.

More next week.... ☺
